ROUTE DESCRIPTION

PUBLIC TRANSPORT

The fastest way to get to Ostend from Bredene (about 8 km) is by taking the coastal tram. You'll find the stop opposite to the train station. Take the coastal tram in the direction of Knokke and get out at the tram stop 'Renbaan'. Take the steps down until you arrive in the pedestrian subway. Here you turn left (to the right lies the beach) and outside the subway immediately to the right. You follow this path until you come to the end of a dead end street, here you turn left and descend down the road until you reach the Visserskapel. Here you turn right into the Kapelstraat, the first street on your left is the Koningin Astridlaan. Veld & Duin is the first camping on your left hand.
